

Prairie AquaTech is pleased to send you a sample of ME-PRO®! However, the following information is required so we can ensure proper delivery and handling.

Complete the form and return; you will be informed of receipt, shipment and look forward to learning of ME-PRO's aid in accomplishing your objectives!

Agreement (please check where appropriate):

_____ I agree to distribute this sample only with those within my company that are directly involved with evaluating and testing ME-PRO®.

_____ I agree to keep confidential the results of any testing of ME-PRO including ingredient percentages and formulations used in evaluating ME-PRO.

_____ I agree to report the results of any testing of ME-PRO to Prairie Aquatech at the end of the evaluation period.

_____ I agree not to reverse engineer ME-PRO, or otherwise obtain the chemical structure of ME-PRO, or permit any third party to do so.

_____ I agree that no license or rights of any kind are granted or implied by the receipt or use of ME-PRO, and agree and covenant that no application for Intellectual Property rights of any kind which may include ME-PRO shall be filed.

_____ I agree that the use of ME-PRO, including any derivatives thereof, is for RESEARCH ONLY.

_____ I agree to destroy any samples of ME-PRO within the stated deadline written or printed on the bag or delivery device (on the official tag).
